

## **Here at Monmouth Plastic Surgery the safety of our patients, their families and our staff is of utmost importance.**

**Please review the following steps we will be taking to provide a safe environment for our patients, staff and community.**

### **Patient Screening Questionnaire:**

All patients must respond to provided questionnaire  
(You may be asked to review your responses a few times before your visit.)

**If you answer yes to any of the questions provided in the NJSPS COVID-19 Screening Questionnaire we would plan to reschedule your appointment and refer you to contact your primary care provider - we can help you find one if you do not have one already!**

### **Patient Portal**

In order to be seen at your next appointment you must register for your patient portal. If you need assistance in registering for the portal please call us 732-842-3737. We would be happy to walk you through the registration process.

### **Covid-19 Consents**

You may be asked to sign consents related to treatment in relation to COVID 19

### **New Waiting Room Policy**

In order to maintain social distance we ask all patients to please remain in your car. Once you arrive please call us. When it is time for your appointment we will call you to come in.

### **Face Covering (Mask)**

You must wear a face covering that fully covers both your nose and mouth. <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html>

### **Upon Entrance**

Your temperature will be taken upon entrance to the building. You will be provided with alcohol based hand sanitizer at this time.

### **Payment**

Any copays or payments are encouraged to be paid electronically via credit card or gift card when possible to promote contactless environment.

**Dr. Greco is in continuous communication with both national and local authorities. We are following all recommendations of the New Jersey Department of Health and the Centers for Disease Control to ensure Proper Safety Protocol to protect our patients**

**We look forward to caring for you all again soon!**

# How We Plan To Keep You Safe

- **SAFETY COMPLIANCE:** We are strictly adhering to federal, regional, state and local guidelines and documents
- **MONITOR:** Daily health screening of all staff entering building.
- **SOCIAL DISTANCING:** Initially, we are strategically scheduling patients to ensure maximum safety to our patients and staff.
- **DISINFECTING:** There will be thorough sanitization occurring in all common areas, as well as exam rooms between each patient, using approved virucidal cleaning products. We have added TRUE HEPA filtration to all of our patient care areas to promote airflow and reduce stagnation of residual chemical odors emitted from cleaning products.
- **HYGIENE:** All restrooms and common areas will be stocked with soap and alcohol based sanitizer.
- **PROTECTION:** Adequate Personal Protective Equipment for all staff - both clerical and clinical (including but not limited to, masks, gowns, faceshields, gloves)
